RESTAURANT & CAFE

ON THE BEACH

Guests are waiting in the sun for service attendants. With WalkinIn, guests can now order whenever they're ready.

Providing a digital menu by the poolside is a perfect way to pamper your guests.

BY THE POOLSIDE

A man with short brown hair, wearing a blue denim shirt over a white t-shirt, is sitting at a bar. He is smiling and looking at a small white card or device he is holding in his hands. In front of him are two glasses of beer. The background is a dimly lit bar with wooden paneling.

AT THE BAR

Don't let customers compete for bartenders. Keep the rounds and appetizers flowing with WalkinIn.

Upselling has never been easier when you're able to showcase your creative cocktails.

Two women with long brown hair are sitting at a table in a lounge. The woman on the right is wearing a black sequined top and is holding a smartphone, showing an app interface. The woman on the left is wearing a black top and is also smiling. On the table are two glasses of colorful cocktails. The background shows a modern lounge interior with a bar and other patrons.
